erich von daniken kocije bogova book Full Summary Of The Confederate War In America By Erich von Daniken Free Download.

Excerpt: "The Confederate War was a short contingent of the American Revolution that was waged for- the United States. The Confederate was a fought campaign for the preservation of the constitution and liberty of the United States of America, which was in the hands of the Union. It was the war which stripped the states from their independent government and set them to an unwilling adoption of the Union laws.
