If you are interested in a planer then you will need a hex key to get rid of metal shavings.2.I got my key from Dremel's website, and if I remember correctly, it is M5714A.This key will work with any Dremel 8000 and certain Delta models.. Drill Isolation Table. Cut a step as large as you.Q: Mysql query to select string between 2 character I'm trying to write a mysql query to select all string from the row which contains a string between 2 characters. At the moment I have this query: SELECT \* FROM mainTable WHERE col1 LIKE concat('%^http%'); It is working good, but it is wrong, because it always returns the same results. Example: col1 col2 How should i write it? A: In your example it looks like you are trying to find every row where the first field contains http, followed by any string. So try this: SELECT \* FROM `mainTable` WHERE `col1` LIKE '%http%' OR `col1` LIKE '%http%' The double OR operator avoids you having to use OR as well. Guillaume Durand was born in 1836 in Paris. He was a rich French businessman and his nature was born to be a poet. He published his first work in 1860 and was a well known painter with a penchant for dark, distorted art. He only lived into the late 19th century, when he died. He was also known to be a friend of Henri Toulouse-Lautrec. He began his friendship with Toulouse-Lautrec after seeing his 3e33713323
