The most popular next generation 3DS action RPG is now available in Nintendo eShop on Nintendo 3DS! +Brand New Fantasy Action RPG Vast World with 3D Graphics In this next generation 3DS RPG by NIS America and Ubisoft, take control of a noble character and rise to power as an Elden Lord in the Lands Between. Explore a world full of surprises. In "Lands Between," be free to explore the world, freely create your own character, freely change your character's appearance, and freely choose to develop your character through various skills, weapons, magic, and items. Tons of Action in Dungeons with a Unique World Expand your fantasy RPG experience through a variety of actions. As you descend into a dungeon in search of treasure, you will face fierce monsters, solve puzzles, and uncover a variety of mysteries. The Action is Real. Be a Hero! It's time to become a hero of the fantasy world! In "Lands Between," the dungeon action of the original game is improved. You can now freely change the viewpoint as you explore the dungeon, and the action is real. You can avoid enemies by jumping over them, and you can directly attack enemies with your weapon. NO LIMIT ON Skill Points You can freely improve your skill points, giving you the ability to customize your class and special skills. The skills that appear on your class skills menu can be freely changed through experience. You Can Do So Much More with the New Fantasy Action RPG! The 3D graphics of the original game have been upgraded, and the controls and special attacks have been improved. The sound and music have been enhanced as well. In addition, "Lands Between" adds the new multiplayer online functionality that lets you join other players through Nintendo Network, and synchronize with them in real time. The multiplayer mode in "Lands Between" is an entirely different gameplay experience where you can directly connect with and battle other players. It is possible to enjoy action role-playing, combat, and party with friends. Nintendo eShop on Nintendo 3DS You can download new game content from the Nintendo eShop through the Nintendo 3DS System software update service. You can download free content, such as special sound tracks, from the Nintendo eShop on Nintendo 3DS System. All purchases can be made in Nintendo e

Customization (Appearance, Equipes, and Skills)  
Highly flexible economy and character development  
Open-ended world full of side quests and chance encounters  
Five combat RPG systems (Partial Action, Synthesis Skills, Evasion, Awakening, Elemental Attack)

## **System Features:**

### **Partial Action Combat System**

The combat system is built upon a RPG system where the player's role is to attack enemies using the fractional action that is determined by various skills. In this process, your party will attack using different styles. One part of the party attacks, while the other part uses defensive skills.

### **Synthesis Skills**

Each character levels up based on their action and defensive skills. The Evasion skill can be effectively used for attacks, while the Awakening skill is an offensive skill. The Synthesis Skills can be used with either or both of the Evasion and Awakening skills....

### **Dramatically improved exploration.**

In the previous Elder Scrolls Online Beta, we lacked a clear idea about what could be found in the world, even after plowing through numerous dungeons and chests. In addition, there were no safe zones or places to rest, such
